NEARLY MADE GOAL

$67,000 WORTH OF WAR STAMPS SOLD IN DRIVE

CAMPAIGN ONLY BEGUN

Sales In County Total $9,000, With Polk Township Far In the Lead—The Thrift Week Report

The thrift week drive of the Nodaway county war savings committee ended Saturday night with a splendid showing in view of the fact that the campaign was seriously interfered with by the big fire that occurred last Wednesday and which practically upset all business in the city for several days. With a mark of $75,000 the committees for the county and for Polk township report a total of $67,305, less than $7,000 of the goal set. But don't get the idea the campaign is over—the fact is, it has just started and before the end of the year Nodaway county will be called on to show a total of $600,000 in war savings and thrift stamp subscriptions.

County Chairman G. L. Wilfley and Township Chairman Ed Gray report subscriptions to date as follows:

Atchison	20	$ 100
Grant	212	1060
Green	74	370
Hopkins	215	1075
Independence	420	2100
Jackson	360	1800
Jefferson	60	300
Lincoln	152	760
Monroe	40	200
Nodaway	103	515
Union	300	1500
Washington	16	80
White Cloud	30	150
Polk	9205	58,100
Total		$67,305

Polk township had to its credit $15,000 when the drive started and the week's campaign returned a total of $43,100 in cash and pledges.

Of this amount the business men's teams led with $32,250, the High School with $6,100, the women of the Red Cross auxiliary, $2,500, with unsolicited purchases at the sales stations of $2,250.

Alexanders Narrowly Escape Fire.

Mr. and Mrs. Henry Alexander, former well known residents of Maryville, recently had a narrow escape from death in a fire in the flats they were occupying in Wichita, Kans. The fire gained much headway during the night before discovered and the Alexanders were forced to flee from the windows, barely escaping with their lives.

Visited In St. Joseph.

Mr. and Mrs. Charles Gallagher returned last night from St. Joseph where they have been visiting since Saturday. While there Mr. and Mrs. Gallagher attended "The Show of Wonders."

GUILFORD RESIDENT DIES

James C. Hansen, Aged 68, Was Sick But Few Days—Was a Retired Farmer — Funeral Thursday

James C. Hansen, 68 years old, died at 2 o'clock this morning at his home in Guilford of heart failure, of which he had been ill only a few days.

Mr. Hansen was a retired farmer and had lived in Guilford about two years. He was born in Denmark, but came to this country several years ago. He is survived by his wife and one brother.

Funeral services will be held at 10 o'clock Thursday morning at the Latter Day Saints church. Burial will be in the Swinford cemetery.

OUR QUOTA IS READY

MEN FOR FOURTH NODAWAY CONTINGENT SECURED

INTERPRET THE ORDER

Members of District Appeal Board Believe All Men Certified Must Go Regardless of New Classification

Until official notice is received by the draft board no action will be taken towards calling the men who will go to Camp Funston beginning February 23, following the order issued yesterday from the offices of Provost Marshal General Crowder. The fourth contingent from Nodaway county will contain thirty-four men. There are already certified men in excess of this number who are ready for the call, the last quota having been filled some weeks ago.

Members of the district appeal board, says the Kansas City Times interpret the order to mean all men certified for the final contingent will be compelled to go to camp regardless of their classification under the questionnaire system.

It is believed the old system will be reverted too and all the men ordered to report for the final contingent of the first draft will be compelled to go.

Some of the men certified have since been granted deferred classification. The district board is undecided as to how the new ruling will affect these registrants, but unless more detailed instructions are received previous to February 23, the local boards will proceed as they did in the last draft and order the men to camp, members say.

According to the rules of the questionnaire system all men who were certified for the fourth contingent must be re-classified. However, it is believed that the majority of these registrants have been placed in Class 1, and that their order number are such that the fourth contingent will be composed of practically the same men as were ready for the call last summer.

Charles Schrader of Savannah was in Maryville on business yesterday.

CHURCHES UNITE?

MERGER OF METHODIST BODIES IS NEAR

INCLUDES ALL THE U. S.

"Outlook Is Propitious for Unification," Is Message Wired to Kansas City by Commission

There is every indication that the proposed merger of the Methodist Episcopal church and the Methodist Episcopal church (South) throughout the country will soon be accomplished. The Kansas City Times this morning contains the following:

The practical assurance of the merger throughout the United States of the Methodist Episcopal church and the Methodist Episcopal church (South) is thought to have come. A telegram late yesterday to the Rev. Claudius B. Spencer of Kansas Cty,t editor of the Central Christian Advocate, from the commission appointed to effect the amalgamation, now in session in Savannah, Ga., read:

"Outlook most propitious for unification."

At a general conference of both church branches the commission was instructed not to adjourn until it had arranged for the merger.

Maryville has two Methodist churches, the First M. E. church of which Rev. Gilbert S. Cox is pastor, and the Methodist Episcopal church (South), of which Rev. R. C. Holliday is pastor.

MRS. FISKE IN "VANITY FAIR"

Interesting Production Wtih Favorite Actress at Lyceum Course at Christian Church Tonight

The tenth number of the Lyceum picture course will be shown at the Christian church tonight, the film being one of the best in the entire series, Mrs. Fiske in the feature masterpiece, "Vanity Fair," from the novel by William Makepeace Thackeray. The picture is in seven parts.

In presenting Mrs. Fiske in "Vanity Fair" the Edison Company scores a unique triumph. The English language boasts no greater novel than "Vanity Fair." The American theatre konws no greater stage impersonation that Mrs. Fiske's "Becky." Her "Becky" ranks with Edwin Forest's "Lear"; Joseph Jefferson's "Rip Van Winkle," and Richard Mansfield's "Cyrano de Bergerac."

"Vanity Fair" possesses qualities particularly adaptable to film dramatization. A variety of character, intense realism, ingenuity of incident, a profusion of wit, humor and invention—essentials of the model romance—are found in this nineteenth century novel.

Only Mrs. Fiske's desire to perpetuate her characterization of "Becky" induced her to accept the proposal of the Edison Company. It is improbable that she will ever again be seen in the silent drama.

Marriage Licenses Issued.

Marriage licenses were issued in St. Joseph yesterday to Ralph Henderson of Skidmore and Miss Osie Judkins of St. Joseph, and Leland D. Hoskins of St. Joseph and Miss Margaret E. Manley of Maryville.

A Raid On German Lines.

London, Feb. 5.—The British raided the German lines near Fleubiax and Ypres-Staden railway station last night, taking prisoners and guns, the war office announces.

Mr. and Mrs. Newt Butts and baby son of Hopkins were in Maryville on business today.

PATTONSB'G WON FROMM.H.S

Lost Game Due to Pattonsburg Player Interfering With M. H. S. Guard —Final Score Was 37-24

Maryville High School lost last night's basket ball game to Pattonsburg through the over-zealousness on the part of a Pattonsburg player to prevent Guard Puckett of the M. H. S. from filling his position properly. The game was interrupted for a time and the Pattonsburg player and Puckett were taken from the game, which up to that time was Maryville's game.

The score at the end of the first half was 15-11 in favor of Pattonsburg with both teams playing good ball. At the start of the last half M. H. S. forged into the lead and were four points to the good when Pattonsburg's guard attempted to interfere with Puckett. A second player got into the mixup and a few minutes later all three were ruled out. A poorly lighted court also was a factor in losing the game. The final score was 24-37 in favor of Pattonsburg.

M. H. S. plays the Maitland team here Friday night and a good game is looked for.

USE TOO MANY BOOKS

PROF. HOLDEN POINTS ERRORS IN RURAL SCHOOL WORK

PUPILS LOSE INTEREST

In Place of Teaching "Words" Agriculture Expert Tells the Necessity for Vitalization of the Subject

At the morning session of the short course in vitalized agriculture being held at the Normal, Prof. Holden met the superintendents and their teachers from the seven different counties represented. The meeting was called to order and Prof. Holden talked on the purpose of vitalized agriculture. He said: "The common errors in our agricultural work so far as now given in our rural schools are: First, bookish work—we assign pages in a book—and then teach words—words—words.

"Second, skimming. On the other hand if no book is used the teacher is left free to select whatever phases of the subject she wishes to teach and the result is that they skim over everything. When the next year comes there is nothing new and interesting to teach. As a result the students lose their interest in the subject. To overcome this difficulty a four year course in vitalized agriculture has been planned. The subjects have been arranged so that the teacher may cover each subject carefully and yet have something new for future work. This is also an advantage, because the younger children who have helped the older students prepare the lessons at home do not have to cover the work which they have heard before."

Children Give Demonstration.

At the afternoon session two of the children from Miss Maude Whitehead's school gave a demonstration. Henry Coburn talked on alfalfa and his little sister talked on the advantages of other corn and alfalfa crops. Henry Coburn had a plat of the county showing the alfalfa fields planted by every farmer in the county. Gracie Coburn had samples of alfalfa roots with her and showed how the long roots of the alfalfa were able to resist drouth.

The teachers in attendance are:

Mrs. Alburta Green, Oregon, Mo.
Mrs. A. M. Wilson, Mound City, Mo.
Miss Grace Hayzlett, Mound City, Mo
Miss Helen Derry, Tarkio, Mo.
Miss Dorothy Kertz, Maryville, Mo.

IS TAKEN TO ASYLUM

WIDOW OF LOUIS JENSEN WAS ADJUDGED INSANE

FORCED TO BREAK DOOR

Demented Woman Defied Officers Who Went to Home—Money Found by the Sheriff

Sheriff John M. Dowden returned today from St. Joseph where he went to take Mrs. Louis Jensen, widow of the Dane who was found frozen to death in his barnyard yesterday morning, to the insane asylum at St. Joseph. After the first struggle with the unfortunate woman at her home, Sheriff Dowden had little trouble in getting her safely to the St. Joseph institution.

On complaint to Probate Judge Robertson yesterday, following the report of the sheriff and others of Mrs. Jensen's condition, a court order was issued to have her brought in. Sheriff Dowden, Fred Smith and Eph Tilton went to the Jensen home but were denied admittance, as on their previous visit earlier in the day. It was necessary to break down a door in order to gain entrance, and the demented woman was quickly secured. A struggle ensued and it was not till she had been manacled that the officers were able to handle her. She was brought before Judge Robertson in probate court and a formal order was issued for her commitment.

The property of the Jensens was placed in charge of Frank Roelofson, public administrator. A search of the premises yesterday by Sheriff Dowden revealed a box containing currency in the sum of several hundred dollars, together with a bank book showing deposits in a local bank of several hundred more. Several head of horses and stock were on the place. Indications within the home showed that the couple led miserly lives and dirt was everywhere, the place apparently not having been cleaned in months.

The body of Louis Jensen was buried this afternoon from the undertaking parlors of Price & McNeal. Burial was in Miriam cemetery.

ST. LOUIS STRIKE TO P. S. C.

Directors, It Is Believed, Will Ask State Commission to Settle the Affair

St. Louis, Feb. 5.—The settlement of the street car strike will be put up to the Missouri Public Service Commission, it is believed will be the action the directors will take at the meeting today. No cars were running last night. Fifty cars were running this morning. A dozen arrests were made and minor troubles reported.

Police Lieutenant Frank Florida, driven insane by the strike, killed his three-year-old son and himself this morning.

Rioting increased this afternoon when the company attempted to operate ninety cars. There have been no serious injuries reported.

Death of Twins.

The twin daughters of Mr. and Mrs. Wayne Cooper of Clearmont, which were born Friday, February 1, died one at 8 o'clock last night, and the other at 11 o'clock this morning. Funeral services will be held tomorrow at the residence.

Mr. and Mrs. Morren Forbes, who have been visiting in Polo, Mo., returned Monday night to their home in Maryville.

Dr. Jessie Clark left Staurday for her home in Texas, called there by the serious illness of her father.

WANT A DEFINITE ANSWER

Germany Would Like to Know What the Bolsheviki Is Going to Do About Peace Proposition

Special to The Democrat-Forum.

Amsterdam, Feb. 5.—Decision of far-reaching importance bearing on the future policies of the dual monarchies are expected as a result of the council of Teuton chiefs opened in Berlin yesterday. Advices state it is reported a decision had been reached to serve an ultimatum on the Bolsheviki government at Brest-Livosk, demanding definite rejection or acceptance of the German terms and specify a date. An important question is the difference between the Hertling and Czernin peace aims t obring Austria into line.

K.OF C. DRIVE IS ON

NODAWAY CATHOLICS JOIN NATION-WIDE CAMPAIGN

WILL RAISE 3 MILLION

Soliciting Committees Are Appointed for All Sections of the City and County

The Knights of Columbus are making an appeal to the Catholics of Nodaway county in a nation wide drive to secure a war fund of three million dollars. Nodaway county's share of $2,000 is being raised this week and already there has been a liberal response to the cause.

In the Y. M. C. A. drive in this county it is pointed out that very few Catholics were solicited though many gave voluntarily and it is hoped that the committees will meet with a generous response.

The following committees have been appointed to solicit in the various parts of the county:

South of Maryville — Mike Baker, Mike Sturm.

East of Maryville—Bernerd Dougan, Henry Heitman.

West of Maryville—D. O'Grady, Jas. Murphy.

North of Maryville—M. J. Sherlock, Wm. Doffing.

Pickering and Hopkins vicinity — Dennis Collins, Clarence Pope.

Northwest part of county—Ed Sherlock, L. M. Cummins.

Burlington Junction and Quitman — Will Cummins, Ed Costello.

City of Maryville—First Ward, Burt M. Rowley; Second Ward, Ed Ferritor; Third Ward, Wm. Linneman; Fourth Ward, J. B. Cummins.

The funds will be used by the Catholics to make the training camps more homelike for the soldier boys, both over here and in France. These places are especially prepared that the boys have every opportunity to write those ever welcome letters home, and also a place where they may spend their recreation with some degree of homelike comforts. They will also furnish Chaplains to accompany the units where no Catholics are furnished by the government. These will be sent in sufficient numbers to attend to the spiritual welfare and give consolation in time of danger.

WAR'S END FAR OFF

SEN. WADSWORTH URGES PASSAGE OF WAR CABINET BILL

WOULD CUT THE RED TAPE

Representative Miller, in Speech in House, Declares It Will Take Four Million Men to Win the War

Special to The Democrat-Forum.

Washington, Feb. 5. — Warning the nation that the end of the war is far off, Senator Wadsworth of New York called upon Congress this afternoon to order at once a reorganization of the war management as a safeguard against further mistakes, the nature of which were revealed in the army investigations. He urged the passage of the war cabinet and munitions director bills. He confined his criticisms to the present systems and not to individuals and praised many accomplishments of the administration during the year. He assailed red tape methods and stated that co-operation could not be had out of conglomeration.

Neither Side Ready for Test.

The showdown on the Chamberlain bills is uncertain today and neither side is ready for the test.

4,000,000 Men Needed.

Until America has four million men in the field, the war cannot be won, Representative Miller of Minnesota told the House today. He said:

"We must have four million men and should have five millions. We will never win the war by revolution in Germany. There is just one way to beat Germany and that is by the army."

Summing up the submarine warfare, he states Germany built 265 boats and the Allies destroyed probably 100. Each soldier oversea needs six tons supplying him and therefore, 18 million tons for the National Army shipping board are needed.

SCORES RAILROAD HEADS

W. G. Lee Says Owners Don't Want Government Operation to Be Successful—May Not Get Them Back

Special to The Democrat-Forum.

Washington, Feb. 5. — The railroad owners don't want government operation to be successful, is the charge made by W. G. Lee, president of one of the railroad brotherhoods, before the wage commission this morning. He said he could back up his statement. If experienced men are allowed to operate thrains as their experience dictated, and the operation is successful the owners know they will never get back the roads, he declared. A. B. Garrettson also spoke. Railroad officials were present.

Americans Beat Hun Raiders.

Special to The Democrat-Forum.

American Army in France, Feb. 5. — Another attempt to raid Monday morning on the American sector was beaten off by the artillery. The Germans in large force believed to have suffered heavy losses. The Americans had advanced information that the Teuton plans censor permits, saying hold the front line near Toul. Shelling on this front the past twenty-four hours is about normal.

Forum-ettes

Sawing wood has gone out of fashion, but it would do a lot of us a world of good if we were given the chance of grabbing a buck saw and proceeding with the work of sawing up a cord or so a day.

Ellis Cook says you can't preach religion into the Germans, and that praying won't do much good, but that we must shoot it into 'em by buying war savings stamps.

A hen-pecked man's idea of a clinching argument is to slam the front door when he starts to town.

For our part we are willing to have an embargo put on cold waves.

And speaking of embargoes, why not extend it to the fellow who comes into the office to tell you he believes it is getting colder?

The reason coal is scarce is that the dealers can't get it from the mines because they can't get the necessary cars from the railroads because the needs of traffic of war material and food stuffs has caused such a congestion that the railroads can't get coal for their engines. Thought maybe you'd be interested.

At the "Spinster's Convention," which was given last night by the Ladies Aid Society of the First Christian church, a four-year-old youngster was heard to remark, when the remodelescope machine began to throw forth hats, shoes, and various other articles of ladies' wearing apparel, "I wouldn't have come if I had known they were going to tear a woman to pieces."

Remember when you used to cuss the coal man when he mussed up the yard delivering coal?—but it's different now.

Saw a man yesterday mistake another woman for his mother. It is usually another man's wife that always gets "mistaken."

A girl with a brother and a sweetheart both in the army never feels that brother needs as much in the way of knitted work as the other fellow.

One Maryville father makes war economy an excuse for sending the children to bed before it gets dark enough to light the lights.

The fellow at the boarding house who uses the bathtub and never cleans it out afterward is about as popular in the community as Theodore Roosevelt is at the White House.

News at Hopkins

Mr. and Mrs. Ed Owens have a son, born January 31.

Mrs. Carl Burk, who has been sick for some time, is not improving and it is feared an operation is necessary.

The Hopkins mill has increased its meal capacity and is running night and day.

Mrs. D. A. Sargent, chairman of the Red Cross auxiliary, is proving herself to be an efficient leader, giving a great deal of her time and work to this cause. The ladies serving lunch at the Dave Russell sale cleared about $35.

H. K. Hall, a feed merchant of Bedford, Ia., was here on business last Saturday.

Dr. S. W. Gerard died at a hospital in St. Joseph Thursday. He is well remembered here, having come from Old Xenia, and practiced in and around Hopkins for a great many years, retiring several years ago and moving to St. Joseph, where he has since lived, being 84 years of age at the time of his death.

Miss Gladys Pennington and Miss Crystal Wilson came up from Maryville Thursday to remain over Sunday with home folks, shortage of coal giving the students at the Normal a few days vacation.

William Hanna, having disposed of his property at Sulphur Springs, Ark., will, with his family, come back here to live.

Grandma Broyles returned home on Saturday from St. Joseph where she has been visiting the past few weeks at the home of her daughter, Mrs. Mattie Lindsay.

Mrs. Lucius Harsh, who was operated on for tumor some time ago, died at her home four miles east of Hopkins Friday afternoon. Funeral services were held Sunday and burial took place in the Hopkins cemetery.

Several of the grades held an indoor carnival at the school house Saturday night.

Mrs. V. Smith was in Bedford Saturday on business, having sold her farm four miles north of town to Roy Herbert of Bedford, receiving $100 an acre.

Rev. G. S. Cox and Professor Wells of Maryville gave interesting talks at the Christian church Sunday afternoon, speaking in the interest o the Laymen's Missionary Meeting to be held in Kansas City this month.

PLAY WAS SUCCESS

"SPINSTERS CONVENTION" DREW GOOD CROWD LAST NIGHT

SOME NOVEL FEATURES

Old Maids Were Made Over Into Young Girls and an Unusually Good Program Was Enjoyed

The "Spinster's Convention" at the Empire theatre last night was well attended and an evening of fun was enjoyed, the surprises coming when the old maids entered the "make 'em over" machine operated by Prof. Makeover (George Palfreyman) and his assistant.

The convention was participated in by spinsters of varied ages and with various opinions. Woman's rights, equal suffrage, dress reform and kindred topics were discussed whenever the subject "man" was not before the meeting, which was most of the time. Parliamentary rules were missing in the conduct of the convention and Miss Laura Hawkins, as president of the Young Ladies' Single Blessedness Debating Society, had difficulty in maintaining proper decorum at all times.

The ladies who took part in the convention were: Miss Laura Hawkins, who presided; Mrs. J. S. Shinabargar, secretary; Mrs. A. D. Arneti, treasurer; Mrs. Lincoln Bent, Mrs. Henry Westfall, Mrs. Edward Wright Gray, Mrs. Fred Newlon, dress reform advocate in a class by herself, Mrs. Lee Crossan, Miss Bertha Anderson, Mrs. Newt Hagins, Mrs. J. J. Heifner Mrs. James Wray, Mrs. Landfather, Mrs. Geo. Hartley, Mrs. C. A. Bone defender of woman's rights, Mrs Ellis Cook.

A pianologue by Leta Wray and Clifford Hull was one of the hits of the convention and was cleverly done Margaret Chilton gave two pleasing vocal numbers; Ruth Miller gave an interesting Grecian dance in costume; Misses Mary and Kate Carpenter on piano and violin gave a pleasing number; H. J. Becker sang a vocal number and little Emma Ruth Bellows, as one of the "made-over" old maids, scored a hit.

Eight girls in a patriotic drill included Mabel Cook, Alice Peery, Helen Dean, Lucile Wright, Mary Condon, Mary Margaret Richey, Mabel Fraser, and Virginia Robinson.

The play given by the ladies of the Christian church for the benefit of the Aid Society drew a good sized house.

WANTED—Teams to haul wood, good roads and wages. Wm. Everhart. 4-6

Gaynor Happenings.

Mr. and Mrs. Frank Dewitt and daughter, Ruth, of Hopkins spent Sunday with the family of C. H. Lewis..

Messrs. Scouden and Young have been losing hogs with cholera.

Mrs. Janie Thompson entertained at dinner Sunday, Mr. and Mrs. Will Berky and Mr. and Mrs. John Koger and sons.

Mr. Goff went to St. Joseph Thursday to purchase new goods. Harley Goff is running the store during his father's absence.

Rev. Francisco walked from Parnell to Gaynor, eight miles, Sunday, in order not to miss the preaching service.

Faye Florea has enlisted in the army as a machinist, going to Leavenworth last week.

Miss Ethel Stevenson spent the week end with home folks.

Charles Brown and family of near Ravenwood spent Sunday with Mr. and Mrs. Wyman. Claire Brown, who is here from Galesburg, Ill., was also a guest.

Child—"Dad, what does T. R. stand for?"

Dad—"Tain't right."

His Hard Luck.

"So you're going home?" said the old man to the wanderer.

"Yes; tomorrow."

"I understand they are preparing the fatted calf for you?"

"Just my luck. The doctor has made me cut out all fat foods."

Piles Cured WITHOUT THE Knife

Is My Life Study With My 18 Years' Experience

The radical and non-surgical method with which I successfully treat and GUARANTEE to CURE all forms of PILES, FISTULA and FISSURE without the KNIFE. No general anesthetic, no DETENTION from BUSINESS. Remember, that I do not treat all diseases the human body is heir to, neither do I treat incurable diseases.

Our patients will tell you they are not confined to bed; walk about, and attend to their daily duties.
Read what they say:

Attorney-at-Law at Richmond, Mo.

This is to certify that Dr. E. F. Higdon, a specialist, used his mild method for piles and other allied diseases in my case, which I was troubled with itching piles and fissures, which was cured in two weeks. After receiving my treatment I drove in a buggy twenty miles on the same day, continued my work daily thereafter. This cure was made in 1912, and I have never had any return of the trouble since. I take great pleasure in recommending him to the public who is in need of his services.
Dec. 1, 1917. Wm. TRAVERS THOMPSON.

Did not Lose a Day's Work on the Farm.

Mr. Jesse Hicks, farmer, age 55 years. Twenty years a sufferer of piles. I read your advertisement in the St. Joseph Gazette. Piles cured without the knife or general anesthetic, and that the guarantee was no cure no pay. I concluded samething had to be done, as I had the protruding and bleeding piles, that were gradually getting worse, which seemed to exhaust my whole energy. At times was getting very nervous, had aching pains in my back and legs, and did not sleep well at night. Today I am sound and well and have had no trouble since taking the treatment.

I take great pleasure in recommending your Institute methods of treatment, and was permitted to go to my home from Oregon, Mo., to St. Joseph, and did not lose a day's work on the farm nor confined to the bed or room during the entire treatment of three weeks.
Dec. 23, 1917. JESSE HICKS, Oregon, Mo., R. F. D.

Ask for examination—always free.
Remember, all cures taken on a positive GUARANTEE — NO CURE, NO PAY.

Will be at New Linville Hotel

Selling Tires Intelligently

We believe that we do not supply your tire *needs* by merely selling you tires.

You are entitled to receive from us a willing, painstaking service of expert helpfulness.

This we give, knowing that it is the only intelligent way to sell tires.

Naturally we have complete information on how to make every tire deliver its maximum of mileage and satisfaction.

We pass this information on to you whenever you need it—daily if necessary.

This service is freely given to all our customers.

We sell Goodyear Tires, Tubes and "Tire Saver" Accessories. That, in itself, we believe is a service, because the Goodyear line, as you know, is made up of high-quality products bound to give you the greatest use for the least expense.

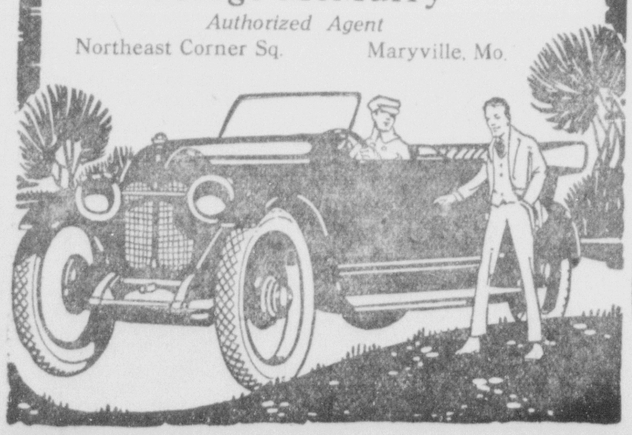
Authorized Agent
Northeast Corner Sq. Maryville, Mo.



Make Your Own Cough Syrup and Save Money

Better than the ready-made kind. Easily prepared at home.

The finest cough syrup that money can buy, costing only about one-fifth as much as ready-made preparations, can easily be made up at home. The way it takes hold and conquers distressing coughs, throat and chest colds will really make you enthusiastic about it.

Any druggist can supply you with 2½ ounces of Pinex (60 cents worth). Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Shake thoroughly and it is ready for use. The total cost is about 65 cents and gives you a full pint—a family supply—of a most effectual, pleasant tasting remedy. It keeps perfectly.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the inflamed or swollen throat membranes, and gradually but surely the annoying throat tickle and dreaded cough will disappear entirely. Nothing better for bronchitis, spasmodic croup, whooping cough or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is known the world over for its prompt healing effect on the throat membranes.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

Garfield, the "Coal Man," Looks Out of Clear Light Brown Eyes and Says 'I Will Take the Blame'

(By D. M. Edwards)

Washington, Feb. 5.—What manner of man is this Dr. Garfield, who tells us we shall not burn coal on Mondays?

And who says, "Can't help it; it's got to be done; I will take all responsibility."

Have you ever seen General Leonard Wood, with his iron, square jaw, broad, powerful shoulders, standing straight, his arms at his side as if awaiting the first move of a determined offensive attack? Have you ever noticed the calm, pentrating glance that seems to measure minutely the situation ahead? Have you ever observed the broad forehead, perfectly free from wrinkles in a critical emergency?

If you have, then you have before you a typical mental picture of Dr. Harry A. Garfield, the fuel administrator. There is only one striking difference. General Wood has a clear blue eye; Dr. Garfield has a clear light brown eye. The two men are about the same age; and about the same height and about the same build, and with very much the same voice—a strong voice under pressure, but normally smooth flowing and modulated.

Perhaps the best illustration of Dr. Garfield's character was given the day after the fuel restriction order went into effect. A storm of criticism and condemnation burst from all quarters of the country affected by the regulation. Every one was evading responsibility; not a member of the cabinet would say it was a good thing or a bad thing; some high officials who were directly concerned skillfully avoided taking any position that would leave them open to criticism. In plain words, everyone was "passing the buck." Some even were saying that "somebody has got to be the goat for the tying up of fuel, food, munitions and transportation."

Dr. Garfield was approached by a group of perhaps fifteen men, plying him with various questions more or 'ess impertinent and pertinent.

"Who is responsible for the order?" was asked. "No one seems to want to take it on his shoulders to admit he was even consulted."

"Well gentlemen," replied Dr. Garfield calmly, "if the order is not popular I cannot help that. It was the only thing to be done in the emergency. I will take all the responsibility and condemnation for the order. But as soon as people realize why it was necessary you will find a different spirit. Of course, I consulted all others who might be interested; but I will assume all the burden of blame myself."

Frankly, Dr. Garfield was the only man that day who was willing to stand up and face the music. Others were predicting that "somebody had to be made the goat." Maybe Dr. Garfield has been made the goat; but if so, it is safe to predict that he is going to be about the roughest-horned goat anyone ever tried to ride.

He had the courage to do something drastic—and that order has been the means of releasing portbound vessels with thousands of tons of supplies for the Allies. The whole mess of transportation and delay of supplies came down to the simplest matter of moving traffic. There was a ten-mile belt of freight all along the New Jersey water front and at many of the water fronts along the seaboard. Little coal was going into the bunkers of the allied ships because it could not be forced through that belt of freight. Coal cars were laden and lying on the tracks for miles back from the seaboard; other cars were being moved eastward and jammed up against the crush, making it all the more impossible to move the coal. Dr. Garfield applied to the situation the most fundamental principle of traffic itself—he removed the pressure at the neck of the bottle, the freight belt being the neck. As New York's surface trolley traffic is controlled by the triple crossing at Herald Square; and as the subway movement is controlled by the crush at Grand Central station, so the whole crux of the coaling congestion lay in the impassable freight belt.

Dr. Garfield's suspension order removed for five days the urgent necessity of forcing coal through the factories. The government has been over-supplied in some essential war equipment. The relief was almost instantaneous, and, even in the face of the worst weather conditions the eastern railroads have seen in years, relief is already being felt.

Dr. Garfield comes from Hiram, O. where he was born October 11, 1863. He is an A. B. of Williams college; an LL.D of Princeton, Dartmouth, Amherst and Wesleyan, and practiced law in Cleveland from 1888 to 1903. He was president of the Cleveland chamber of commerce and the municipal association. He was president of Williams college. He is a specialist in organization and control and has made coal and railroads a study for more than twenty years. He has two boys in the army, one in France and one in a cantonment awaiting word to go over.

MORE MEN TO CAMPS

Last Draft Increment to Begin Moving February 23

Washington, Feb. 5.—Provost Marshal General Crowder has announced that the movement of the last increments of the men selected in the first draft will begin on February 23 and continue for a period of five days. This will complete the operation of the first draft, as all states will have furnished their full quotas.

The movement will bring the strength of the national army up to the 685,000 men contemplated in the first draft. The numbers of men which will be started to the following cantonments on February 23 are:

Taylor, Ky., 6,284; Funston, Kans., 2,332; Travis, Tex., 7,558; Pike, Ark., 2,000 (negroes).

This calls for 708 men from Kansas and 1,264 from Missouri.

MARYVILLE HOUSEWIFE CHANGED FROM GLOOM TO CHEER

"My stomach suffering was so severe that I could not have lasted much longer. I did not care so much for myself, but did not want to leave my three little children, who needed a mother's love and care. A cousin in California wrote me about Mayr's Wonderful Remedy and I took a course of it. I have since been entirely well." It is a simple, harmless preparation that removes the catarrhal mucous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Drug Co.

Save the Hens.

Every laying hen sold from the farms before the first of May means a loss of about thirty eggs to the food supply of the nation. These eggs are valuable food, manufactured largely from insects, weeds and grass, garbage and waste. The eggs, therefore, are almost wholly a net gain in human food. Moreover, the hen is just as good meat after she has laid these eggs as before.

Society and Clubland

BY MISS LUTA MOODY

Hanamo 42. Farmers 114

Will Hold Meeting.

The Amoma Class of the Baptist church will hold a business meeting Thursday night at the probate court office.

Monday Bridge Club.

The Monday Afternoon Bridge Club met yesterday afternoon with Mrs. John Herren. Besides the members, three guests were present: They were Mrs. A. Swike of Plattsburg, who is visiting her parents, Mr. and Mrs. M. Nusbaum; Mrs. D. F. Boyd of Wichita, Kans., who is the guest of her sister, Mrs. Frank Shoemaker; and Mrs. Joseph Jackson, Jr.

Miss Farnan Weds.

Miss Mary Farnan, daughter of C. C. Farnan, and Austin McQuinn, son of Mrs. Ruth McQuinn, both of Clyde, were married at 8 o'clock this morning at the St. Benedict's Catholic church, the Rev. Father Frowin officiating.

Knew of No War.

Knoxville, Tenn., Feb. 5. — John Tornrento, a Slavak, arrested here by Federal officers, almost caused the government officials to have heart failure when he told them through an interpreter that he didn't know there was a war anywhere. He was arrested while peeping in windows of a manufacturing plant.

For Burning Eczema

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or $1.00 for extra large size, get a bottle of zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, penetrating, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

NEW FEDERAL GRAIN OFFICE

Government Establishes An Office at Kansas City — Reports Available For Grain and Hay Dealers

With offices in Rooms 220 to 223, Produce Exchange building, Kansas City, Mo., A. R. Evans has been appointed in charge of one of the ten divisions into which the new Grain and Hay Market Reporting Service of the Bureau of Markets, United States Department of Agriculture, has been divided. The Kansas City office will be headquarters of the West Central division, which includes Missouri, Kansas, Iowa and Nebraska.

Bi-weekly reports are now being issued which show estimates of stocks of wheat, corn, oats, and hay in dealers hands in each district, estimates of amounts of each of these commodities which will be shipped from stations in each district during the two weeks following the date of the report, and of amounts which will be shipped to stations in each district during the two weeks following the report. The range of prices at whiih certain grades of these commodities are being offered for sale for shipment in carload lots at stations in each district on a given date are given, as are the range of prices at which similar grades will be purchased for shipment to these stations on the same date.

The reports should be of special interest to grain and hay dealers and other persons interested in stocks, prices and movement of these commodities.

FUNERAL OF MRS. HENDRICK

Services Were Held at Home In Burlington Junction Today

Funeral services for Mrs. J. A. Hendrick, who died at 9 o'clock Sunday morning at her home in Burlington Junction, were held at 2 o'clock this afternoon at the residence, conducted by the Rev. Ernest Snyder. Burial was in the Ohio cemetery.

Mrs. Hendrick was 48 years old. She is survived by her husband and three children. The children are Mrs. John Van Horn of Kansas City, Charles Booth and John Hendrick, of Burlington Junction.

MARRIES SISTER-IN-LAW ON HIS WIFE'S REQUEST

Greenwich, Conn., Feb. 5.—Within little less than four months after the death of his wife, Herbert A. Butler, of the Fifty-ninth Battery, married his sister-in-law, Miss Francis L. Gibson. He did so at the request of his wife, whose death took place on September 19, 1917. The ceremony was hastened as the bridegroom expects to be called to France soon.

FINE FOR RHEUMATISM!

Musterole Loosens Up Those Stiff Joints—Drives Out Pain

You'll know why thousands use Musterole once you experience the glad relief it gives.

Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

Musterole is recommended by many doctors and nurses. Millions of jars are used annually for bronchitis, croup, stiff neck, asthma, neuralgia, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size $2.50

To List Slackers In Boone.

Columbia, Feb. 5. — Boone county "financial slackers" will be held up to scorn before their neighbors under plans being formulated by the county Council of Defense.

The council will distribute blank forms with places for the names, addresses, income, amount able to contribute or subscribe, amount, if any, that was contributed or subscribed to the Y. M. C. A., Red Cross, Liberty Loan bonds or War Savings certificates.

City With Smallest Debt.

Springfield, Mo., Feb. 5.—Revenue Commissioner Cogley claims the title of "city of the smallest debt" for Springfield. In a report just completed the total indebtedness of the city is shown to be $14,723.35. When the commission form of government went into effect in April, 1916, the city was heavily burdened with debts of all kinds. Two years of commission form will have wiped the slate clean, it is said.

Mrs. Tom Wiley of Elmo was a Maryville visitor today.

KANSAS CITY STOCK LETTER

Kansas City Stock Yards, Feb. 4.—Cattle received today, 12,000 head; market steady on light weights; dull and slightly lower on choice heavy weights. Hog receipts, 10,000; market 10 to 15 higher; top $16.40. Sheep and lamb receipts today, 4,000; market steady.

Beef Cattle—Trade opened late this morning on account of trains being late and buyers on the first rounds showed greater demand for light weight cattle and paid steady prices for same. Choice heavy steers sold a little lower than last week's close with a top of $13 on eight loads of Kansas fed steers. The top last week was $13.50.

There were close to a hundred loads of western cattle here today, most of which were pulp fed steers from Colorado. They sold mostly on a range of $11.15 to $12.85, two loads selling for $12.85, which is a record price on pulp fed steers for this year.

Butcher cattle sold at steady to strong prices; cows sold up to $10.25; yearlings up to $11, and bulls ranged mostly from $8 to $10. Calves remain steady, with a top of $14.

Stockers and Feeders—With warmer weather in sight and railroad service gradually getting better, indications point to a decided improvement in the stocker and feeder market. Trade today was active at steady to firm prices on the better or desirable kinds. Plainer grades sold about steady. Three loads of Colorado feeders weighing 988 pounds brought $11.15, a record price on feeders from Colorado this year. Stockers range in price from $8 to $11 and feeders $9.50 to $11.15.

Hogs—Hogs sold today at mostly 10 to 15 higher prices; top $16.40; bulk of sales $16.10 to $16.35. Most of the heavies brought from $16.25 to $16.40, and light weights sold up to $16.30. Pigs were strong selling from $11 to $14. Kansas City was the only market to show an increase in hog receipts for the month of January. The increase was approximately 30,000 more than January a year ago.

Sheep and Lambs—Receipts of sheep and lambs was light and market was about steady with the close of last week. Best lambs here sold at $17.15, but there was nothing real choice here. Yearlings sold up to $14.75; wethers sell up to $13; ewes $12.25, and feeders up to $15.85.

RAW FURS
The market is high on all kinds of FURS. Write for Special No. 1. CHAS. A. JENSEN, buyer of Furs, Hides, Produce, Maryville, Mo.

For Quick Sale—

I have some very cheap city property and vacant lots. Well located, good terms, if taken soon. Also some five and ten acre properties close in which are bargains.

And some farms from 30 to 240 acres that can be had if taken by Feb. 10. Come and see me quick.

G. B. HOLMES, The Land Man.
